

Identify - State the Main Problem

Levels of Influence

1. Physical Level

Physical body, including all biological and biochemical systems
Physical surroundings

Nonphysical

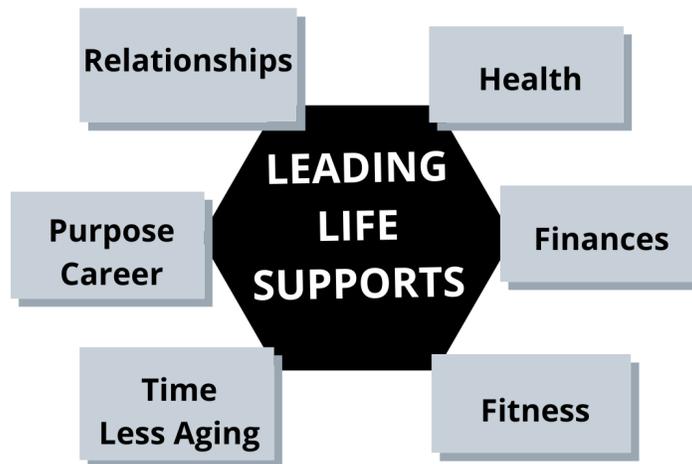

2. Mental Level - the mind and thought processes that can be either functional or dysfunctional

3. Emotional Level - Positive or negative emotions

4. Psychological Level - combining of the mental and emotional, a deeper level of patterning, pertains to the loss of emotional management

5. Psychic Level - extraordinary, extrasensory and non physical mental processes such as ESP and mental telepathy

6. Spiritual Level - the innate human spirit connection to the outer universe that augments and enlivens our being

ENERGETIC SPIRAL UP
